ADVOGADOS

## FCB recognised as a leading international law firm in lusophone Africa

The **Chambers & Partners Global Guide 2018** was published today, distinguishing **FCB** and the member firms of **FCB Glocal** in Angola (**EVC Advogados**) and Mozambique (**AG Advogados**) respectively. All of FCB Glocal's member firms were ranked and highlighted in the guide, as well as six of their lawyers. The highlight of the rankings was clearly Angola where FCB was recognised as one of the leading international firms providing legal services.

### What Chambers & Partners says:

«This respected Lisbon-based team has noted capabilities in assisting foreign entities with local investment. Its predominantly multinational client portfolio benefits from the team's knowledge of corporate and labour law.»

«This respected full-service practice offers solid capabilities in project financing mandates and M&A transactions. It is active in areas including real estate, labour and tax law.»

### What FCB's clients say:

*«It offers excellent support to companies wanting to invest in Angola; in addition it has a very solid team with a high level of expertise and quality.»*

*«Their business-driven approach is one of their strengths. The advice is never merely theoretical or legal, but based on their practical experience.»*

*«Availability, legal knowledge and extreme dedication.»*

The rankings can be viewed in the Chambers & Partners website, here:

At FCB, we would like to take this opportunity to thank our clients for their continued support over the years, as without their availability to provide feedback on our services to Chambers, we wouldn't have achieved these results in the guide.
