

FCB recommended as a TOP-TIER FIRM for Angola by The Legal 500 EMEA

The 2018 edition of *The Legal 500 Europe, Middle East and Africa* was published yesterday, distinguishing **FCB as a TOP-TIER FIRM for Angola in the foreign law firms category**. This recognition is clearly the reflection of the work FCB and their team have been developing in the country for over ten years, in close partnership with **EVC Advogados**, another member of **FCB Glocal** which was also highlighted in the rankings.

FCB has also been recommended in another Practice Areas for Mozambique (Foreign Law Firms) and for Portugal (Commercial, corporate and M&A; Real estate and construction; Public law; Projects and project finance; Dispute resolution; Tax; Employment; and Intellectual property), also having eleven lawyers highlighted in the guide.

What The Legal 500 says:

«FCB regularly cooperates with EVC Advogados to provide an ‘irreproachable service’ on the full range of commercial work. João Robles has a ‘deep understanding of the Angolan market’. Another Lisbon-based partner with significant knowledge of the Angolan market is Pedro Guimarães.»

The rankings can be viewed in The Legal 500 website, [here](#).

At FCB, we would like to take this opportunity to thank our clients for their continued support over the years, as without their availability to provide feedback on our services to The Legal 500, we wouldn't have achieved these results in the guide.
